

# The Simple Green Fundraiser

## An Easy Way to Raise Money and Help the Environment

- Raise money while reducing textile waste in our landfills

- Ask your community to donate unwanted clothing, bedding, towels, shoes and accessories
  - FGR will work with you to set up a convenient bin location and pick-up all donations
  - A percentage of proceeds will support the harris project's CODA (Co-Occurring Disorders Awareness) prevention program
  - Easy to organize and no cost to run

co-occurring disorders:  
out of the shadows and into the light
